

Design Resolutions 2021

Say hello to 2021 with a plan. Choose one big goal (or three) to channelize your design energy. Outline what you will do, how you'll do it, and make a plan to hold yourself accountable. Write it (no, no typing). Put pen/pencil to paper and share your vision, so you know somebody's watching ;)

I resolve to...

What

Resolutions for the year (e.g. improve visualisation skills)

Why

Macro goal of resolution (e.g. to impress/get more clients)

How

The devil's in the details (e.g. 15 min of drawing every day)

Track

Hold yourself accountable (e.g. assign a resolution buddy)
